OBJECTIVE

To excel in a job that both challenges and inspires me, and enhance my professional skills, capabilities and knowledge, while working to the best of my abilities to produce the best quality of work that I am capable of

EDUCATION

Bachelor of Technology(B.Tech), Computer Science (2015 - 2019)
Gokaraju Rangaraju Institute of Engineering and Technology
CGPA: 9.64 (Current)

XII (Secondary Education), Science (2013 - 2015)
Sri Chaitanya IIT Academy
Percentage: 93.5

X, Secondary (2013)
Castletown High School
CGPA: 8.5

INTERNSHIPS

Campus Ambassador (2018)
GeeksForGeeks (Virtual)
Conducting coding contest, events and make students learn various algorithms, concepts and constructs

POSITION OF RESPONSIBILITY

Smart India Hackathon co-leader for offline maps and navigation

Project Leader in Automated CAPTCHA solver

Google Developer Student Club Core Team

Head of GFG Coding team in our campus

PROJECTS

Automated CAPTCHA Solver
Using algorithms like KNN, Convolution Neural Network and Space Displacement, Python libraries TensorFlow and Relu activation functions
Extract the contours, recognize the pixel score, output the CAPTCHA

Offline Maps & Navigation - Android app
Finalist for Indian Space Research Organization, Smart India Hackathon
Offline routing and navigation finds shortest path between two places,
tracks location, calories and more

Attendance Management
Manage daily attendances of students and store the locally and export

Inventory Storage - Android app
Built for local businesses to store and modify the items in the store

Temple Management - Android app
Supports services, billings and locatio of temple - Smart City Hackathons

SKILLS

Android Studio, TensorFlow, Microsoft Office, Algorithm Design,
Data Structures, Public Speaking, Student Trainer, Conduct Contests

TECHNICAL LANGUAGES

C, C++, Java, Python, SQL, HTML, JavaScript, PHP

WORK SAMPLES & CONTRIBUTIONS

ACHIEVEMENTS

Winner of Smart Coder competition organized by XKernel

Finalist of Smart India Hackathon 2018 for Indian Space Research
Organization

Oracle DBMS certification with 95 percentage

IITBombayx Data Structures Certification with 94 percentage

1st Runner up in national level event te'C'oder organized by JNTU and
finalist in TechRace organized by JNTU

Secure first rank in Smart Coder BGS in our college
